

St Mark's Mission Action Plan 2016-2020

Our Rule of Life:

In response to the love of God, Father, Son and Holy Spirit, we offer our lives to God and commit to
Praying and listening to God daily, worshipping with the church and being fed by him in the Eucharist
Growing in understanding of God by daily Bible reading and reflection, and learning together
Serving God in our daily life and work
Sharing God's gifts of time, talents and money with our neighbours, the church, the community and the world.
