## **LETTER FROM THE VICAR**

Dear Friends

### **The School of Life**

At the time of writing, the summer holidays have ended and the weather is changing. People of all ages, pupils and teachers, are embarking on a new school year - some for the first time; others returning after the summer holidays or perhaps moving on to different schools or colleges. They may be happy and excited, perhaps uncertain and apprehensive, but for each of them it will be a time of new experiences and new opportunities, and through teaching and hard work, new skills will be developed and existing abilities improved.

But education and training are not simply about academic achievement or career development. Each one of us is part of a wider society, family and neighbourhood, schools and the places where we work or spend our spare time. Here we learn social interaction and develop inter-personal skills such as conversation and listening, patience and tolerance. We grow in relationship with those around us; working together and growing in mutual understanding. Each person has their individual personality and brings their own abilities to a shared enterprise which will benefit the community as a whole.

Years ago, many adults went to school, often on Sundays, the only work-free day, where they were able to develop basic skills in reading, writing and arithmetic as well as receive Christian teaching. Today's equivalent to Sunday Schools no longer teaches fundamental literacy skills and can happen on any day of the week, but these too are places of learning. Through short courses and one-off presentations, in discussion groups and house groups, over a cup of coffee in church or at home, we can find opportunities to talk about our faith, and to deepen our understanding by sharing our stories and listening to one another.

Training and education are not quite the same thing. Training develops the skills we need for specific tasks, but education equips us for life, a life that we live in relationship with one another and with God. Through the teaching and example of Jesus we learn how to become fully human and to discern God's purpose for our lives. Each individual is enabled by God's grace to use their own particular abilities for the benefit of all, so that we can live in love and harmony with one another and grow in relationship with Jesus Christ. Education is for the benefit of all, not what we get from it ourselves – we all learn together and from each other.

As the new school year gets underway, we pray for God's blessing on all who teach and learn, and we rejoice that God will never take a holiday or a half-term break. He promises to be with us at all times and in all places until our school of life is over, and he brings us to share with him in the life and light of his eternal kingdom.

So why not try going to a home group this term, and/or coming to the 'Discipleship Explored' sessions on Wednesday evenings and repeated on Thursday mornings. These groups and courses are simply what the Church has always offered and are there for our benefit and the building up of our faith in this community.

With my best wishes

### **Funerals**

Bring us, O Lord, at our last awakening into the house and gate of heaven; to enter into that gate and dwell in that house where there shall be no darkness nor dazzling, but an equal light; no noise nor silence, but an equal music; no fears nor hopes, but one equal possession; no ends nor beginnings, but one equal eternity; in the habitations of thy glory and dominion, world without end. Amen.

# **Oberammergau and Austria Ecumenical Pilgrimages to Passion Play 2020**

Every ten years, the people of the Bavarian village of Oberammergau fulfil their vow to God made in 1634 in thanksgiving for deliverance from the plague that was ravaging Europe by performing a Passion Play. Two 'pilgrimages' have been organised to Oberammergau in 2020 and booking is open now. A visit to Oberammergau is combined with time among the sparkling lakes and majestic mountains of Austria and a visit to Salzburg, giving you the opportunity of fellowship together with the common purpose of attending the Passion Play.

The first pilgrimage, from 29 May – 5 June 2020, will be led by The Rt Revd Jonathan Clark, Bishop of Croydon and The Revd Nicola Furley-Smith.

The second pilgrimage, from 14 - 21 August 2020, will be Led by The Revd Andrew Letby and Deacon Belinda Letby. The pilgrimages are open to all, however book quickly as spaces are limited, to find out more, please contact Mrs Toni Suffolk on 0208 654 9035, 07786 935 554, or by email at [toni.suffolk@btinternet.com](mailto:toni.suffolk@btinternet.com)

# New Kitchen Project

We are absolutely delighted that the new kitchen is now in use. It was completed mid-September, cleaned thoroughly and all the equipment moved back in. The larger space now includes a range cooker, a convection oven, a run through dishwasher, sinks for hand wash, food preparation & pot wash, a full height fridge, a freezer, two water boilers, a hot cupboard, electric shutters, ventilation system, a central island for preparation and racks for storing everything. Crockery and cutlery and all food stuffs from the hall cupboards are now in the kitchen so that the food preparation equipment and food itself are all in one place.

The kitchen was first in use on Sunday 16<sup>th</sup> September when over 50 people were served with a meal of chilli and bread with cake for afterwards. The following Sunday coffee was served directly from the hatches and the next events are the SMOAT quiz, Harvest Lunch and Community Lunch. Parent and Toddler group and the early morning breakfast club are also enjoying the new facilities.

For those of you who haven't seen the kitchen – here are a few pictures.

We are busy writing instructions for the appliances and introducing the various users to the kitchen. A significant amount of community grants and personal donations have been given to enable the kitchen to be transformed for which we are extremely grateful. We still need to raise funds to purchase additional equipment and to replace the doors between the committee room and main hall as these are no longer able to be pulled back due to the extension of the kitchen.

Our thanks to the St Mark's Singers and Friends for holding a fundraising concert on the 29<sup>th</sup> September and to all who came to enjoy the evening. If you would like to make a donation cheques should be made payable to St Mark's PCC or donations can be made online using the following link:

<https://mydonate.bt.com/events/newkitchenstmarks>

We are also currently included in the Tesco Bags of Help scheme and you can vote for our kitchen project to receive funds until the end of October. The stores featuring our project are Redhill Tesco Express (73 Canalside, Redhill, RH1 2NH), Caterham Superstore (Guards Avenue, Coulsdon Rd, Caterham CR3 5QX) and Edenbridge Tesco Express (High St, Edenbridge, TN8 5AD)

## Save the Date

The Official Opening will take place on Sunday 4 November. Starting at 10am with the Sunday service, followed by a blessing of the kitchen with drinks and cake afterwards. We look forward to seeing as many of you as possible on that day.

# HARVEST FESTIVAL & PET SERVICE

**Sunday 7<sup>th</sup> October – 10am**

This year we are celebrating Harvest Festival with a slight difference. Harvest is a time when we thank God for creation, for all that the earth provides and also for those who labour for our benefit. Those who support us are not just human, there are many animals that work hard for us, not just on the farm but as companions and service animals.

On the 4<sup>th</sup> October, we celebrate the life of St Francis of Assisi who believed that everything created has a place within this world. It felt right therefore to give thanks and praise for our beloved pets who bring us so much joy. We welcome you to

bring your pets to this service to receive a blessing, as we also offer our gifts of food to those in need at this time.

This year we will be passing your gifts of tinned food, toiletries, household and packet goods to the Foodbank and fresh food items to Wayside. Please see the Foodbank list by the donation bin at the back of the church for suggestions and please ensure all gifts are within date, thank you.

We look forward to seeing you all; humans, dogs, cats, rabbits, guinea pigs, mice and more, although horses maybe a bit of a squeeze! Please be mindful of your animal's needs & wellbeing by sitting somewhere where your pet won't be stressed. It promises to be a fabulous service and we look forward to welcoming you all.

**Reverend Anna**

## **HELIER DREUX QUIZ**

### **Saturday 6<sup>th</sup> October - 7.30pm**

On 6<sup>th</sup> October we are holding our annual Helier Dreux quiz, which is always great fun. You can still buy tickets until Wednesday 3<sup>rd</sup> October. We will be serving chilli and rice, with a vegetarian option available. Tickets are £12 and a cash bar is available, please do not bring your own drinks.

This year SMOAT are supporting a Project Uganda in the Rukungiri district. Solid Rock Nursery and Primary School was due to have a rain water harvesting system installed during the annual project visit in 2018. However, plans were forced to change following severe flooding, with flood water rushing through the school site, causing the walls of two classrooms and an office block to collapse. Luckily all children and teachers escaped unharmed although very cold and wet.

As a result it was decided to reallocate the rain water harvesting funds to rebuilding the offices and classrooms, and concrete culverts were installed to direct the water under the floor of the buildings and out the other side of the site, to prevent further flood damage. The walls and roof were reconstructed allowing the school to reopen and resume normal lessons.

There remains a severe shortage of accessible water on site or within an acceptable distance of the school. This severe lack of water leads to dehydration, malnourishment and general ill health due to poor hygiene and sanitation. Project Uganda plans to install a comprehensive rain water harvesting and storage system, comprising of guttering to all existing buildings with suitable roofing, and downpipes leading into two 6,000lt ferro-cement water tanks to enable enough water to be stored for the duration of the prolonged dry seasons.

The expected outcome will mean:

- Higher lesson attendance and concentration levels due to improved hydration.
- Reduced rates of infection and illness associated with poor hygiene and sanitation.
- Students no longer need to be out in the dark, when it is not safe, collecting water.
- Students will have more time in the day to study.
- Large water storage tanks should provide access to water throughout the year.
- Graduating vocational students and local labour gain both employment and learn new building skills.
- Materials for the project will be sourced locally improving the local economy.

I'm sure you will agree that this is a wonderful project, full of opportunity for the future of the children of Solid Rock school.

Tickets are available from [www.ticketsource.co.uk/whats-on/reigate/st-marks-church-hall/smoat-quiz](http://www.ticketsource.co.uk/whats-on/reigate/st-marks-church-hall/smoat-quiz) or contact Barbara on 01737 226632. Donations are always welcome, with Gift Aid where possible.

## THE REAL ADVENT CALENDAR October Order

The Real Advent calendar was created in 2013 following surveys showing that 36% of 5-7 year olds did not know whose birthday is celebrated at Christmas. In the same year 51% of adults said that the birth of Jesus was irrelevant to their Christmas. The Real Advent Calendar is a great way to reverse this tipping point and put Christ back into the hearts of those who no longer know the full Christmas story. To help with this the Real Advent Calendar comes with a free 24 page Christmas story-activity book.

Since 2013, supported by schools and churches of all denominations, they have sold more than 500,000 calendars and at least £80,000 has been raised for charitable causes from sales of the Calendar. Money raised this year will help The Funzi and Bodo Trust provide more than 600,000 eggs a year to feed children in Kenya, buy books for schools and supply medicines.

Also on offer this year subject to meeting case numbers:

**Host of Angels**, give your tree a meaningful makeover. These Meaningful Chocolate tree decorations are a great way to share the Christmas story. Each box contains six solid chocolate angel decorations, an all new Christmas story activity poster and a Christmas story sticker set. A fun way for parents, grandparents and godparents to share the Christmas story.

### Meaningful Christmas Crackers

These 6 fabulously festive Fairtrade crackers are the perfect way to get into the festive spirit around the Christmas meal. These are the UK's first Fairtrade certificated crackers and will look magnificent on the table. Each cracker contains: A Fun Christmas table quiz question, a joke, full colour print crown and bag of High-Quality Swiss Fairtrade Milk Chocolate Chunky Buttons (25g) plus an Eco friendly 'snap' (The dynamite free design uses a clever card mechanism to add fun to the pulling of each cracker).

The Real Advent Calendar and the Host of Angels cost £3.99 each and come in cases of 18, the Meaningful Christmas Crackers cost £9.99 and come in a case of 6. Churches, schools and groups can buy direct and take advantage of a free delivery offer for all orders received before the 1<sup>st</sup> November. For this reason, we are once again offering to take orders during October, please look out at coffee after the 10am service for the ordering point or pop into the office between 9am-1pm Monday-Thursday to place your order. We will need to make up orders by case so be sure to get your order in quickly.

## Marley & The Harvest Gathering

Copyright: Roger Lloyd

Marley is an old cat, a wise cat, a warrior, a comforter, a watcher and a mystery. Marley has explored the world and made and lost friends along the way, he is tired and longs for a home, a place to settle, and reflect on the life he has lived. Recently, Marley met Candlemouse, a very bold and friendly mouse with kind eyes and big heart, who welcomed him into St Mark's. As Marley had followed his new friend through the glass door and into our beautiful church, filled with colours as the sun danced through the stained-glass windows, he thought, 'I could be happy here', and he was.

Marley is a curious cat. He could not resist exploring the strange and interesting shapes that had appeared at the base of the font. Marley found a big round orange pumpkin, long green marrows and small red, yellow and green apples, strange golden stalks tied up with string and piles of hard brown chestnuts. Why are they here? Just then the door from the tower burst open and a group of children tumbled in laughing. 'Hello Marley, have you come to help with the Harvest decorations?' said a cheerful voice, Marley looked around to see the Curate, almost hidden by the very large pumpkin she was carrying. The Curate was a very kind lady, who always had a big smile and often allowed Marley to keep her company in the inner vestry when she was working on her computer.

What fun they all had, putting piles of fruit, vegetables and pots of herbs all over the church; on the window ledges, around the Font and in front of the altar. Marley chased apples and chestnuts from under the pews and watched carefully as the flower ladies hung swags of lush greenery dotted with apples and berries under the stain glass windows, they looked beautiful and smelt wonderful, rich with the scent of rosemary and lavender. Marley wished that Candlemouse had returned from his adventures to enjoy the festivities.

Later as the church filled with people carrying more baskets and boxes, Marley was surprised to see a handsome black dog stroll down the aisle, followed by another 5 dogs, 6 cats, 2 brightly feathered birds and even a vivid green lizard. Just then he heard the bidding bell and made his way to his favourite spot under the big shiny brass lectern. Marley introduced himself to the dogs; Archie, Remus, Mattie, Poppy and Cashew, the cats; Ginger, Spice, Monty, Binx, Tansy, Bramble and also to Torville and Dean the parrots, and Lenny the lizard and welcomed them all to St Mark's. As they were all visitors Marley wanted to make them feel welcome. They all stood as the music began and the Curate processed around the church with her friends carrying the cross and candles, followed by the choir, all smart in their robes.

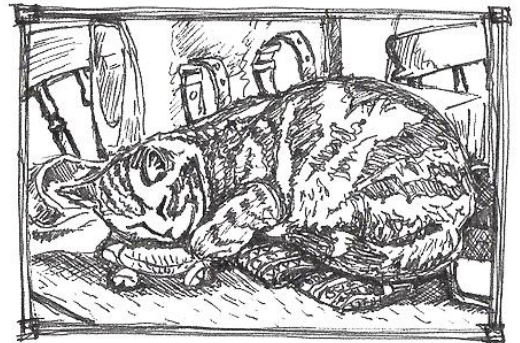

It was a wonderful service, after communion, all the animals were asked to come forward to the altar rail, the Curate explained that we were not only thanking God for the Harvest but celebrating the life of St Francis of Assisi, who is the patron saint of animals and ecology. He loved, honoured and cared for all of creation.

As the Curate laid her hand gently on each bowed head, she bent down and softly whispered a blessing to each in turn, thanking them for their companionship, love and loyalty. Just then Marley heard a noise, not a loud noise, a soft tapping, scratching noise, to his delight he saw Candlemouse and 3 of his friends at the step before the rail, as they were very small Marley was worried that the Curate might not see them, but Archie and Remus had an idea and invited the mice to climb up on their heads. The Curate laughed as she saw the 4 mice balancing on the heads of the 2 largest dogs, she blessed each one, all God's creatures were welcome.

Later as Marley curled up on his favourite cushion, breathing in the wonderful aromas of fresh herbs, tangy fruit and earthy potatoes and pumpkins, he thought about the new friends he had made and the blessing they had received. 'Isn't it funny' he said to Candlemouse, who was sitting with his friends, Faith, Hope and Charity, enjoying some of the Harvest bread, 'how when we share, or show we care by helping or making a friend, it makes us feel happy too'.

Candlemouse thought for a moment and smiling said, 'For it is in giving that we receive'. He explained that this was part of the teachings of St Francis, who was a very wise man. As Marley drifted off to sleep, purring gently, he said, 'I'm so glad you are home Candlemouse, I shall look forward to sharing stories and learning more about St Francis of Assisi. I really enjoyed Harvest and being blessed, what a very busy day it has been'.

Candlemouse smiled and said, 'I am glad to be back with you old friend, God bless and keep you, Sleep well'. Marley snored softly in reply.....
